

What to Bring

We look forward to watching your toddler learn and grow! Here's a list of items you will need to bring:

- Diapers and wipes and Rash-cream
(a permission slip from your doctor if the rash is medicated)
- Soother or pacifier to help your child transition.
- Extra change of clothes and socks.
- Milk if a kid is not drinking organic whole milk.
- Winter wear - snow boots, rain boots, warm coats, hats.
- Blanket if they are full time.

* Please be certain to mark all items with your toddlers' name.

We will follow parent request if the child has any allergies.

A few reminders :

- When you are dropping your toddler off, be sure to sign them in and give them a quick kiss, hug and assure them that you will be picking them up. If someone else will be picking them up, remind them of who to look for and when. Try not to linger, because sometimes that can make it more difficult for your child's transition.
- It is a guardian responsibility to inform little toads staff if someone else is coming to pick your child who are not on the pickup list. New person needs to bring in His/Her ID at the time of pickup.
- Be sure to send your child with a warm coat on cold days, as we will try to go outdoors if it is not snowing.
- Be sure to ask your child about their day and what they did. This will help them develop important language skills.
- Let us know how and what can we do to make your kid more comfortable.
